

Provisory registration

Description

-  Property in central Portugal

Land Registry & Notary Fees in Portugal

Provisional Registration (Before the Deed)

Before the final property deed is signed, you can secure your transaction by applying for **provisional registration** of purchase and mortgage at the **Land Registry Office (Conservat³ria do Registo Predial)** through a notary.

- **Validity:** Provisional registrations expire **6 months after the application date**.
- **Final Conversion:** After the deed is signed, the notary will process the **definitive registration**, replacing the provisional one.

Fees & Charges

All Land Registry services are subject to fees, calculated based on:

- The number of **descriptions, registrations, annotations**, and pages in the deed.
- The type of transaction (e.g., new registration, mortgage cancellation, etc.).

Current Notary Fees (Updated)

(Based on Decree-Law No. 322-A/2001, Decree-Law No. 315/2002, and Decree-Law No. 194/2003)
